Bringing Holiday Cheer within our Houston County Community

Ring & Run, Inc. is a non-profit organization that was established in 2013, raising money to help people in the Houston County community who might need some cheering up during the holidays due to situations such as battling a terrible disease, dealing with a tragedy, or a loss of a loved one.

Since its inception, Ring & Run has been able to help over 75 families and individuals throughout our Houston County Community.

With your efforts and belief in our cause, we are now asking you to place your online orders using the **campaign code** to help reach our goal of \$2,500 but more importantly to help us reach several more deserving families in our community during the holiday season.

As always we thank you for your continued support. Have a safe enjoyable summer with your family and friends and don't forget to place your online order today!
